History of the Loxton Agricultural & Horticultural Society Inc.

A meeting to form the Loxton Agricultural & Horticultural Society was held at the Loxton Hotel on April 11, 1911. The first president was Mr A McCourt and the Secretary was Mr F J Martin.

Members of the Loxton A & H Society were able to become Life Members by buying their Life Membership for 10 guineas (\$21.00). However, Captain J G Arnold was the first person to be awarded Life Membership for his contribution to the show. This

tradition, of awarding Life Membership, continues today.

The first Show Hall was built by H A Lutz for £20 (\$40.00) plus timber and iron. A 60' x 40' hall was constructed on land (at the current site on Bookpurnong Road) given by Mr J A Thiele and it was opened at the first Show on Wednesday 27th September 1911. The five foot high fence was erected of wire netting with plain and barbed wire, all in time for the first Show. The men were busy grubbing bushes, harrowing and rolling the ground.

Trees were planted on the grounds in 1912. Mr Hamdorf supplied the water for the trees and for the Show days and in return he was permitted to graze his cows throughout the year. The Show Society found this arrangement was the best way to get the grounds ready for the Show each year.

There have only been 10 years when the Show has not been held. These were during the two World Wars (when a lot of men were at war) and in The Great Depression and 2020 Covid-19.

The Loxton A&H Society owned the land surrounding the Show Hall, including the football oval. They allowed other community groups to utilise facilities. A range of sports, including basketball and table tennis were played in the hall and football and cricket were played on the oval.

In 1955, the Loxton Football Club wanted club rooms to be build and for the oval surrounds to be brought up to the same standard as the oval. The upkeep of the oval alone was costing the Society too much money, so they agreed to sell the land to the Loxton Council in 1958 for £1,750 (\$3,500). The Show Society had to pay rent of £100 (\$200) allowing them to use the grounds and facilities, 5 days before and 5 days after the Show. The Show Society was not happy about having to hire the grounds and it took until 1962 before they agreed to do so.

In 1974, after long discussions with Council and the Basketball Association, it was reported that a new hall would be built.

The Council had to supply 2 marquees for the show that year as the hall was not completed on time. Some of the timber and iron from the old Hall was used to build sheep and cattle sheds.

The new Hall was officially opened on November 22, 1975 by Mr Tom Casey MP, the Minister of Tourism, Recreation and Sport. The Hall cost a staggering \$238,000.

The Hall was initially called the Loxton Recreation and Sports Centre. The Show Society was very disappointed that they were not recognised in the name of the hall and after a public meeting on this issue held on 12th May 1980, the Council decided changed the name to the “Loxton Show and Recreation Hall”.

In 1990, the Show Society decided to showcase the hall exhibits over two days. The outdoor exhibits followed Section by Section and currently, Section D (sheep) is the only section held on one day.

The Sections of the Show have seen many changes over the years. In the past, the Show included Sections for Pigs, Cats, Goats and Pets, but all of these have been discontinued for various reasons. Other sections, like Cattle and also Hobbies, have evolved and now include a wider range of exhibits. In recent years, new Sections for Vintage Cars and Machinery, Whip Cracking, Yard Dogs, Young Farmers Challenge, Recycled Bike Art and Photography have been included in our wide and varied program.

The Loxton Show has evolved over the years but it continues to be one of Loxton's major events.

WSBDISTRIBUTORS
AGRICULTURAL & INDUSTRIAL MACHINERY

The 51st Annual Riverland Wine Show which will take place on the 5th and 6th September 2023, is strongly supported by the Loxton A & H Society and Riverland Wine. The event originally formed in 1972 was the brain child of Dr Brian Storer and Dr Ian McInnes and remains an important industry forum for the judging and evaluation of inland wines. Once rotated between the three Agricultural and Horticultural Societies of the Riverland, the show remains strongly supported by the Loxton A & H Society today.

To be eligible for entry. Wines must be; commercially dressed, made from grapes grown in the Riverland, Lower Murray, Swan Hill, Murray Darling, Riverina, Rutherglen irrigated wine regions and produced in a volume of 675L or greater.

The philosophy from which the Riverland Wine Show was born, is still the basis of the show 51 years on with contributions from such esteemed judging talent as; Gunter Prass, Wolf Blass, Peter Lehmann, Robert Hesketh, Sue Hodder, Mike Farmilo, David Morris, Phil Reedman (MW) and Corrina Wright.

The Riverland Wine Show is an opportunity for local winemakers and vigneron to obtain an unbiased assessment of their wines with the goal of promoting and supporting our region, maintaining quality, acknowledging trueness of style and to encourage emerging styles and varieties.

The committee welcomes you to join them at the annual presentation dinner and public tasting to be held at the Berri Hotel on *Thursday 21st September, 2023*.

RICH FRUIT CAKE COMPETITION

RECIPE

Ingredients

| | |
|-----------------------|--------------------------------|
| 250g butter | 60g chopped red glace cherries |
| 250g dark brown sugar | 60g mixed peel |
| 5 eggs | 60g chopped almonds |
| 250g sultanas | 375g plain flour |
| 250g raisins | 1 tsp baking powder |
| 200g currants | 1 tsp mixed spice |
| 100g dates | 200ml sherry or brandy |

Method

Chop fruits, mix together and soak in the sherry or brandy overnight. Sift together flour, baking powder and spice. Cream butter and sugar. Add eggs one at a time, beating well after each addition, then alternately add fruit and flour and lastly chopped nuts. Mix thoroughly. Place mixture in a well prepared tin (square) 19-22cm, and bake in a slow oven for approximately three to three and a half hours.

Note: Fruit should be cut to the size of currants.

Class 68**GENOA CAKE COMPETITION****Exhibitor's own recipe is used.**

It should contain sultanas, currants, cherries and almonds.

There is to be no restriction on the ingredients used.

FAULTS TO LOOK FOR:-

Carelessly prepared tin – wrinkled lining.

Careless measurement of ingredients – sugar becomes liquid when heated, so care must be taken not to exceed the recipe quantity.

Carelessly prepared fruit – not correctly cut and separated.

Insufficient creaming of butter and sugar.

Eggs not beaten in well after each addition.

Overpowering aroma of essences and/or spices

Flour and fruit not sufficiently mixed in – leaves streaks and unmixed dry ingredients.

Carelessly filled tin – work cake well down (Never leave the scrapings from the bottom of the bowl sitting on top of the cake. This will show a pale patch when cut).

Oven too hot

Oven too cold

Insufficient cooking time – the cake will sink in the middle and be very soggy

WHAT THE JUDGES ARE LOOKING FOR IN RICH FRUIT CAKE AND GENOA CAKE:

To judge, cut cake straight across. Tasting wedge to be cut from the centre of the cake.

Appearance

Smooth appearance on top, bottom and sides. No sign of shiny, dark, overheated fruit protruding from the surface. The cake should be firm, smooth, fresh and not too moist to touch but not too dry either, preferably with a well ripened patina on the top surface. Straight sides, and a smooth flat top showing even distribution of fruit.

Finish in baking

No bumps, hollows or sunken centres, nor large cracks (a small crack is not a major fault). The cake should cut cleanly, without any crumbs, and without catching and dragging of fruit. There should be no burning or crusty top or sides (caused by too hot an oven or insufficient papering). After the cake is cut, the fruit closest to the outside should not appear to be dark and shiny (caused by over-cooking in too hot an oven). This fault causes a bitter flavour. No air bubbles in finished cake.

Colour

Attractive, even, golden-brown on the top, bottom and sides. A darker colour for the Rich Fruit Cake.

What the Judges are looking for in Rich Fruit Cake & Genoa Cake Cont.**Texture**

Firm and fine; it should be moist, not soggy nor dry. The texture should be smooth and even, and the same right through the cake. A well ripened cake cuts cleanly and evenly.

Flavour and aroma

Delicious, and should be a perfect blend of fresh eggs and dairy ingredients, sugar, essences, flour and spices, sherry or brandy and quality dried fruit. Beware of an overpowering flavour or aroma of essences or spices, or the acrid smell of overheated fruit.

Decoration

Do not decorate Rich Fruit Cake with almonds. Genoa Cake may be decorated with almonds.

Presentation

Remove all paper from the cake before exhibiting. No cake cooler marks (cool on upturned cake tin).

JUDGING SCORES:-

Judging scores are based on the following:

50% Appearance

25% Texture

25% Taste/Flavour

“A fruit cake, like maturing wine, is greatly improved with age. Many a prize has been won by a cake almost fresh from the oven, but if allowed to keep, a change will develop about the end of the first week. The surface of the cake will start to develop a patina, and the aroma becomes richer.

Class 69**COUNTRY WOMEN'S SCONE MIX COMPETITION**

TRIBUTE

Martin Obst 3/6/1937—17/12/2022

Martin was the youngest child of Friedrich Theodor and Anna Christiane Gertrude Obst. He had 5 brothers and 4 sisters, living on a farm east of Taplan.

Martin attended the Taplan school.

He helped on the farm in his younger days and also went fruit picking in Renmark.

He married Evelyn in 1963 and welcomed daughters Cynthia and Julie not long after.

Martin served on Local Government for 15 years .

Martin volunteered for many years for the Loxton Show Society of which he was President in 1981 and 1982 . He was involved in the Wool section, show hall convener and countless hours spent attending working bees.

He was awarded a Life Membership for his dedication to the Society.

Neighbourhood Watch, Loxton Community Centre Chairman, Meals on Wheels, Loxton Garden Club President, President Loxton Men's Probus, Loxton Mardi Gras President, Loxton Christmas Lights and President Loxton Men's Probus were some of the many organisations Martin served on.

Martin and Evelyn enjoyed many holidays away.

In 2012 Martin was diagnosed with Myeloma bone marrow cancer, he passed away in 2022.

TRIBUTE

Roger Biggins 5/7/1936—11/5/2023

Roger became involved with the show life as a young boy.

Firstly, by making sure his mother had the right wood for her kitchen stove, to get the temperature correct for the various cakes and biscuits, she would enter to the cookery section of both the Paruna and then the Loxton Shows. He also liked to enter the bicycle racing at the Paruna Show, a section that has long since gone from the shows.

He next became immersed in the Show when his sons began riding horses. He had begun building structures for the Pony Club grounds and this led to him once or twice collecting the poles and wings from Waikerie Pony Club to be used at the Loxton Show as they didn't own any.

He had by then become a member of the Loxton Show Society and after that, he and a friend began to manufacture wings for the Jumping Section at the show. These are still in use to this day. These pieces of hardware increased the number of events the riders could enter, so building up the section and be affiliated with the horse section at the Adelaide Show.

He ran the Horses-in-Action at the Loxton Show for a few years before becoming the President for two years. After this he then concentrated on generally supporting the various sections helping to keep the buildings and their many pieces upgraded as well as the tables and stands. Setting up the show hall was always and continues to be a big thing. This was a time he enjoyed, helping to set up and then pack up all the multitude of items that go to making a show work. In later life he enjoyed walking around and watching the many items on and around the show ground, speaking to the many people he had engaged with over the years.
