Conditions for Trade/Food Sites for the 2025 Loxton Show

Definitions:

Unless otherwise indicated, "the Committee" shall refer to the Loxton Agricultural and Horticultural Society's Management Committee, "the Operator" shall refer to the body corporate, person, partnership or voluntary association whose name appears on the application to hold a trade site or food/drink site and shall include the employees, servants and agents of same, except where differently specified, the "Grounds Coordinator" shall refer to the Grounds Coordinator appointed by the Committee, "the site" shall refer to the space allocated to the Operator by the Committee, "the area" shall refer to the area defined by the external boundary fences of the Loxton Sporting Precinct, and "The Show" shall refer to the two day event held by the Committee on Sunday 5th October and Monday 6th October 2025.

1. The Loxton Show is conducted by the Loxton Agricultural and Horticultural Society Inc., a body corporate pursuant to the provisions of the Associations Incorporation Act. All rights and obligations which arise under these conditions or in relation to the Loxton Show shall be enforceable by or against the Loxton Agricultural and Horticultural Society Inc. and shall function through its Committee.
2. **Trade Sites Only:** The **minimum payment of 50% of the total balance of application fees is required to secure the site.** Payment of the balance may be made at the time of lodging the application, or at a later date. The balance must be paid by the due date of 17th September 2025. No site may be occupied by an Operator unless the full balance of fees has been paid.
3. **Food/Drink Sites Only:** Applications must be made to the Committee, who will then assess the application. Successful applications will be invoiced for the balance owing. Payment of the balance is required by 31st August 2025. Refunds will not be given without approval by the Committee for any no shows or non attendances.
4. Operators must hold current liability insurance for their site for the duration of the event including setting and dismantling.
5. The Operator must set up their Trade Site on the space allocated to them by the Grounds Coordinator. Except with written consent previously obtained from the Committee, the Operator shall not assign or sub-let or part with the possession of the whole or any part of the site or purport to do so.
6. The Committee reserves the right to examine all goods offered for sale and display and any goods deemed unsuitable for any reason shall not be sold or displayed. The Committee shall have the power to enter the site at any time and remove any exhibits, articles, signage, picture or printed material which in their opinion may cause injury or damage or may be a cause of offence to the public or the officials of the Committee.
7. **The Operator is to complete two copies of the Site Safety Management Plan specific to their site** upon completion of the setting up of the said site, to the satisfaction of the Site Safety Officer. This Plan will demonstrate how the Operator will comply with the Work Health and Safety Act and associated Acts and Regulations. The first copy of the Plan is to be kept onsite at all times, and a second copy is to be distributed to the Secretary in the Show Office prior to 8.30 am on the Sunday of the Show. If the Site Safety Management Plan, in the Site Safety Officer's opinion, does not adequately cover the requirements, then they may require that work is undertaken to make the site safe or to revise the Site Safety Management Plan. If the site cannot be made safe, the Site Safety Officer may at their discretion order the site to be dismantled.
8. The Operator at all times shall exercise all necessary precautions for the safety of the public, employee(s) and others appropriate to the nature of the site/demonstration and the conditions under which the event is conducted. Notwithstanding any directions or approvals given by the Site Safety Officer, the Operator shall at all times be held responsible for the safety of all persons engaged in the operation of the site/demonstration.
9. The Operator accepts all responsibility for and shall hold the Committee indemnified against any death, personal injury, damage or loss to any person, persons or property howsoever arising and whether at or in consequence of the Show by reason of any act, omission or neglect of the Operator or arising out of the transport, installation, use or demonstration of any machinery, implement, apparatus, static display or stand AND the Operator hereby undertakes to faithfully conform with any regulations, bylaws or ordinances made under such Acts of Parliament or by any Government, Semi Government or Local Government Authority duly authorised to make regulations, bylaws or ordinances in connection herewith, and with any such directions as the Site Safety Officer may give.
10. The Operator shall promptly report to the Site Safety Officer all accidents involving death, personal injury, damage or loss to any person, persons or property and all incidents with accident potential such as equipment, structure or infrastructure failure and the like. If required, the Site Safety Officer shall ask for an incident/accident report which must be provided to the Site Safety Officer or the Secretary within 48 hours of the accident/incident.
11. The Operator is responsible for ensuring that any marquee or other temporary structure associated with their site is erected correctly and competently in accordance with the manufacturers specifications for safe and secure erection; and in accordance with any Australian Standards and industry general safe practice.
12. The use of amplifiers and loud speakers must be approved by the Committee. The Committee reserves the right to confiscate PA/loud speaker equipment for the duration of the Show in the event that the Operator fails to comply with the Committee's direction.

Conditions for Trade/Food Sites cont.

13. The Committee reserves the right to regulate or stop the use of machinery and equipment on static display which produces excessive noise or any form of nuisance or inconvenience to other site Operators or the public.
 14. The Operator is responsible for the condition of the site covered by this Contract for the duration of the Show and upon completion of the Show the Operator shall clean all parts of the area affected by the Operator's presence thereon to the satisfaction of the Grounds Coordinator.
 15. The Committee shall not be liable for any loss of or damage to the Operator's property whilst on the said area. Security of the Operator's property or displays shall be the responsibility of the Operator. Security patrols are provided by the Committee during the night for additional protection from 6pm to 8.30am Saturday night and 6pm to 7.30am Sunday night.
 16. New equipment only may be sold or displayed for sale. Used equipment of the current model may be brought onto the site only for use in demonstration.
 17. No holes are to be dug or droppers or pegs used without the approval of the Grounds Coordinator (Steve Schulz 0409 847 363). Repair to any damage to services caused by not complying with this condition will be charged to the exhibitor.
 18. The Operator shall not conduct or suffer to be conducted in the Show area any competition or game without the authority of the Committee.
 19. The Committee reserves the right to re-allocate any site which is not occupied by 12 noon on the Sunday of the Show.
 20. A speed limit of 10 kilometres per hour shall apply at all times within the confines of the said area during the allocated setting up and dismantling period. No vehicles are permitted to be used by the Operator in the Show area between 8:30am to 4:00pm on both days of the Show. The driver of any vehicle within the Show area must hold the required drivers license for the respective vehicle.
 21. The sale of alcoholic drinks within the confines of the said area will require approval from the Committee prior to the event, and an appropriate liquor licence. A copy of the liquor licence is to be provided to the Committee prior to the event.
 22. The Operator is NOT to vacate their site before 4:00pm on the Monday of the Show. Exit procedures will be coordinated by the Site Safety Officer. The Operator is required to leave their site clean and tidy, and dispose of any waste from their site.
 23. The Committee will remove (unless negotiated) any structure or part thereof or any plant or equipment which is or has erected or placed upon the area and remains after 5:00pm on the Tuesday following the Show. The Operator shall pay a storage fee of \$100 per item per week or part thereof, until the item (s) have been collected. When it is necessary to charge a storage fee, the future attendance by the Operator will be in jeopardy. The Committee shall have the right to retain or sell by public auction or private treaty any item remaining after 30 days.
 24. The Operator is to be responsible for all persons working on their site being aware of the conditions listed herein. Additional copies are available from the Secretary.
 25. All animals brought into the said area as part of a trade or entertainment display must be appropriately restrained, or if being handled as part of a demonstration, be within the total control of the handler at all times during the Show, and must be kept within the bounds of the allocated site. The Operator is responsible for the removal of all animal waste at the conclusion of the Show.
 26. Any pets brought into the said area by the Operator shall be appropriately restrained at all times for the duration of the Show, to the satisfaction of the Site Safety Officer.
 27. Operators will be permitted to camp on site with the approval of their trade site application.
 28. The Committee reserves the right to amend operating conditions as specified.
 29. If an Operator, having made a site application and paid the site fees, then cancels the site booking or does not appear at the Show, the Committee is under no obligation to refund all or any part of the site fees paid. The Committee may, in its absolute discretion, grant a refund which will not be made until after the event.
 30. The Committee reserves the right to cancel this Contract and to retain any money paid in relation thereto if there is, in the opinion of the Committee, any infringement of any of these conditions and/or if the Operator does not occupy the space at the commencement of and during the full period of the Show.
 31. If the Committee should find it necessary or expedient to cancel or postpone the Show, this Contract shall cease to operate upon notice to that effect, signed by the Secretary served on the Operator by handing it to them personally, by electronic means or by posting it to them in a prepaid envelope at the address herein mentioned or at the option of the Committee by handing or offering it to any person who appears or is thought by the Secretary to be an employee, agent or partner of the Operator. The Committee shall not be liable to the Operator for any compensation whether on the grounds of loss of profits or otherwise in respect of such cancellation or postponement and the Operator shall not be entitled to any refund or payment of any money paid by the Operator in relation to this application.
 32. The Committee reserves the right, in its absolute discretion, to cancel or suspend the operation of this Contract pursuant to Clause 31 if in the opinion of the Committee the Operator has breached any of the conditions of this Contract or the Operator has acted, in the opinion of the Committee, in an illegal or offensive manner towards other Operators or public patrons of the Loxton Show.
- The Loxton A & H Society takes no responsibility if a person contracts a contagious disease whilst attending the show. Everyone who enters the showgrounds and the buildings upon the grounds do so at their own risk.
